

Call for abstracts

3rd National Ecogenomics Day

Netherlands Ecogenomics Research Organisation (NERO)

April 21, 2010

Het Trippenhuis, Kloveniersburgwal 29, 1011 JV Amsterdam

Keynote Laurent Keller

Department of Ecology and Evolution, University of Lausanne

“Evolutionary genetics of social life”

Invited speakers

Mieke Jansen (KU Leuven)

Can we link gene expression profiles to life history data?

Corné Pieterse (UU)

Making sense out of signaling during plant defense: an ecogenomics approach

Huub op den Camp (RU Nijmegen)

"Bactomics", from ecosystem to biochemical pathways and back

Louis van de Zande (RUG)

Sex genes on the wing: genomics of *Nasonia* sex determination and sex-specific morphogenesis

Nikkie van Bers (WUR)

Songbird genomics

Deadline for abstracts and registration is April 1, 2010

- Please send your abstracts with author names and affiliation (250 words max.) to Jan.Kammenga@wur.nl or dick.roelofs@falw.vu.nl
- Registration fee is 50 Euro, lunch included. Please register by sending your name, address **and invoice address**, to Ms. Dita Smit, BioDetection Systems BV, Dita.Smit@bds.nl. After registration you will receive an invoice.
